

## General Education Guidelines

All Engineering majors are required to fulfill the General Education/Rowan Experience requirements of a Specialized Degree Model. In this model, your Math, Science and Communications requirements are met from the required courses in your Engineering curriculum. Rowan Experience and Rowan Seminar are met through your required program of study, i.e., Freshman Clinic I satisfies Rowan Seminar (RS), and Senior Engineering Clinic II satisfies Writing Intensive (WI). College Comp II and Public Speaking are covered in Sophomore Clinic I and Sophomore Clinic II. Fifteen (15) credits of general education courses round out the engineering curriculum and are derived from the following banks:

### History Humanities Language (HHL) - 6 credits (exceptions noted below)

**BME's** will satisfy 3 credits of HHL by taking *Biomedical Ethics, PHIL 09341* (required course)

### Social and Behavioral Sciences (SBS) - 6 credits (exceptions noted below)

**ChE**, and **ECE** students will satisfy 3 credits of SBS by taking the required course, *Intro to Microeconomics (ECON 04102)*;

**CEE** students satisfy all 6 SBS credits by taking required courses, *Intro to Mapping & GIS (GEO06.193)* and *Intro to Microeconomics (ECON 04102)*;

**BME**, **E-ship**, and **ME** students will satisfy 3 credits of SBS by taking required course *Entrepreneurship & Innovation (ENT 06.240)*;

### Artistic and Creative Experience (ACE) - 3 credits

Of the courses taken to satisfy the requirements mentioned above, you must include courses that are designated **Multicultural/Global** (listed as M/G or MCUL), and **Literature**-based (LIT). Both requirements are fulfilled from the general education courses you select. In several instances a course may be designated as both LIT and MCUL in which case you have satisfied this requirement. For example, ENGL 02112, *Readings in Asian Lit* meets both MCUL and LIT criteria, and falls under the HHL bank of courses.

Note: **Double counting of HHL, SBS, and ACE courses is not permitted.** *If a course satisfies more than one general education category (e.g., HHL and ACE), you may only apply the course toward one requirement.*

### Sample General Education Courses (selection may change from semester to semester)
